- **First Year Transition & Residence Life**
Earn a credit before you even begin classes by signing up for the First Year Transition program. We have flexible dates in July and August where you can come to campus, connect with classmates and faculty, and experience college life. Stop by the table to ask questions or learn how to sign up!
- **Health & Safety**
Connect with representatives from campus safety and student health services to learn more about important resources and requirements before the start of the semester. Students and families can ask questions about security services, parking permits, the student ID process, and how to submit required medical records.
- **Office of Campus Culture**
Our goal is to create a hospitable campus climate espousing the celebration of all students, faculty, staff and administrators. Please stop by and say hi! We are excited to get to know you.
- **Quest Food Services**
Fall 2026: All meal plans for resident students will reset every week. We have 4 meal plans to choose from to allow for the best meal plan based on individual student needs. Students have the flexibility to choose the plan that works best for them. We also have 2 commuter meal plans available for commuter students. Need assistance choosing a meal plan, please reach out to us!
